

Dear Parents,

Welcome to the Wonderful World of Waddlers. Your child has grown right before your eyes and it all happened so fast! They have begun to stand and walk, to experience new emotions and feelings, to understand routines, to play and begin to talk!

In the Waddler Room Heart 2 Heart encourage the children to further develop their fine motor skills as well as helping them with the new feelings and emotions they begin to experience. We begin to introduce learning centers and small daily sessions leaving them short enough to keep their attention. We start arts and crafts which are lots of fun but sometimes messy. We also play outside if the weather permits.

Along with all of these new activities Heart 2 Heart also begin to settle the class into a routine. All the children play together, eat together and nap together. The introduction of a routine is a welcome change to this age group as they love to know what to expect next in their day.

Having a Waddler is a wonderful experience but can also be challenging. If you ever have a question or concern please ask. We are here to help you in any way we can!

Heart 2 Heart is so excited to share this wonderful time of discovery with your child and look forward to working with your family.

Heart 2 Heart

Waddler Room Supply List

- ✓ Extra Sets of Clothing Season appropriate (From head to toe)
- ✓ \$ 20 for Sheet / Blankets / Pillow (provided by Heart 2 Heart)
- ✓ Special Soft Toys (if needed)
- ✓ Pacifier and Holder (if used by the child and only provided at nap)
- ✓ 1 Week Supply of Diapers or Pull-ups
- ✓ Ointments
- ✓ Backpack to be taken to and from school
- ✓ Pocket Folder
- ✓ A cup with a straw (no bottles)

All Children will have a cubby to store their belongings in. Please label all belongings with FIRST and LAST names so we do not mix up their things.

**ALL UNLABELED ITEMS WILL BE LABELED BY THE
STAFF**

Parent Responsibilities

1. Please be sure to label all your child's food, food containers, bottles and cups with both FIRST and LAST NAMES
2. Please put all perishable foods in the refrigerator in your child's labeled zip lock bag.
3. On Fridays or the last day of the week for your child, please bring all sheets / blankets / pillow home to be washed. Return sheets / blankets / pillow on Monday or the first day of the week for your child.
4. We ask that all children's toys be kept at home unless otherwise advised by your child's teacher. We cannot be responsible for lost or broken toys. We do not allow toy guns, knives, toy swords or any toys of destruction, which encourage violence or aggressive play.
5. Please put your child's diapers in the labeled bin in bathroom. (Please label FIRST and LAST NAMES on clothes) and clean clothes in the labeled bin in their cubbies.
6. Heart 2 Heart make daily checks on your children's supplies and we will let you know on the daily sheet what is needed. We ask you to also look at their supplies and bring them in when needed.
7. Please let us know of any changes in your family's routine or illness, antibiotic treatment, etc. that might be effecting your child's behavior while in our care.
8. When picking up your children and leaving for the day, please leave as quickly as possible. Remember that the teachers still have responsibilities before they can leave.
9. Please check in the refrigerator daily and remove empty food containers and food.
10. Please call if your child is going to be absent
11. Please be here by 9:00 am in order to fully benefit from the routine and learning programs. Toddlers thrive with consistent schedules, so late arrival can be a problem. Sometimes parents allow their child to sleep late in the morning. We know that you have your child's needs in mind but it is actually less beneficial to allow the extra sleep time. Allowing a child to sleep until 9 a.m. and then arriving at school at 10, only to be offered lunch and afternoon naps at Noon does not present much balance to his/her day. Let us know if your child had a late night and we will make an extra effort to allow them to make up for lost sleep during the day.
12. Please be sure to check your child's folder daily as many important notes are sent home. Folder should stay in the backpack.

POLICY AND PROCEDURE FOR EXCLUDING ILL CHILDREN

Fever

A temperature over a 100 degrees. Because a fever may indicate other health concerns a child must be fever-free, without the use of fever-reducing medicine, for twenty-four hours before returning to child care. Upon return, child must be able to participate in all classroom activities including outdoor play.

Vomiting

Child will be sent home if he 2 vomits or more times. Child may return to child care the following morning if he has not vomited in the previous eight hours. If there appears to be blood present in the vomited content, immediate medical attention is necessary.

Cough

Child should be referred for evaluation if he/she has a frequent cough which prevents eating, sleeping, playing or which is accompanied by other illness symptoms.

Rash

Child with an undiagnosed rash will be sent home for any of the following reasons:

- Rash is spreading over a period of time
 - Rash is widespread
 - Rash appears to cause discomfort and/or is accompanied by fever
 - Rash persists for more than two days
 - Rash contains or consists of blisters
 - Rash looks like bleeding under the skin
- If symptoms do not improve or worsen, re-valuation may be required.

Child will be excluded from child care until a note is received from his/her healthcare provider stating the diagnosis or that he/she is not contagious.

Mouth Sores

A child unable to control his/her saliva or unable to eat or drink due to mouth sores may be excluded from child care unless a healthcare provider states that the child does not have coxsackie virus or some other contagious illness. (See coxsackie virus under Contagious Illnesses.)

Contagious Illnesses

Diarrhea*

Child will be sent home for diarrhea that occurs three or more times per day for infants that is not contained by diapers and two or more times per day for toddlers and preschool children that is not contained by diapers or toilet use. Child may return to child care when diarrhea (as described above) has not occurred in the previous eight ours. On the day the child returns, if one such stool occurs, he/she will be excluded from child care. If there appears to be blood present in the stool, immediate medical attention is necessary. Diarrhea of two weeks' duration is an indication for medical evaluation, and a note from a healthcare provider will be required for continued attendance.

***All diarrhea is a health concern in the classroom.**

Cold

Child may be sent home with any of the following symptoms or complaints:

- Hacking Cough
- Breathing difficulty
- Fever
- Profuse or yellow-green nasal discharge
- Ear drainage

Coxsackie Virus

Child may return following being fever free for twenty-four hours without the use of fever reducing medication. Lesions on the hands and feet are not reasons for exclusion, but lesions which are not dried up must be kept covered.

Herpes Virus

A diagnosis of herpes requires exclusion from child care until lesions appear dried and no longer active (indicating they are non-contagious) or can be covered by a bandage. The recurrent nature of herpes makes it necessary for the child care centers to follow these guidelines with each successive episode.

Impetigo

Child may return following twenty-four hours of treatment (may include topical or oral). Draining lesions should be covered with a bandage (i.e., Band-Aid).

Pink Eye (Conjunctivitis)

Child will be sent home if either eye is draining cloudy or has colored discharge.

Child may return to child care when:

- He/she has been on antibiotics for twenty-four hours, or
- He/she is accompanied by a doctor's note stating that the drainage is caused by a non-contagious condition (such as a blocked tear duct).

If the child returns to child care and symptoms do not improve or should worsen, re-evaluation may be required.

Ringworm/Tinea

Child may return to child care after one treatment as long as lesions can be kept covered by clothing or bandage for one day.

Roseola

Child may return to child care when fever is gone and child has a doctor's note stating that he/she has resolving roseola and is not contagious.

Strep Throat

Child must be on an antibiotic for twenty-four hours before returning to child care. Child must feel well enough to eat, drink, and participate in all classroom activities.

Thrush

Child may return to child care after one treatment, as long as the child is able to eat, drink, and participate in all classroom activities.

Chicken Pox

Child may return to child care after seven days from the onset of the rash or when all lesions are crusted over.

Lice

Child may return to child care when nits (eggs) can no longer be found on the child by the child care staff.

Waddler Skills Summary

Gross Motor	<ul style="list-style-type: none"> Climb steps Squats and stands Kicks large ball Throws large ball Push toys Pushes scooter with both feet
Fine Motor	<ul style="list-style-type: none"> Follows finger plays Completes knob puzzles Hammer grip on pencil Horizontal crayon strokes
Cognitive	<ul style="list-style-type: none"> Points to familiar pictures Follows 2 part directions Points to major body parts Says color names without accuracy
Language	<ul style="list-style-type: none"> Uses single words to express desires Beginning two word sentences Uses pronouns- I, her, his, him
Social/Emotional	<ul style="list-style-type: none"> Declares MINE! Enjoys books Returns single toys to shelf Social with peers Babbles to self/others

Self Help	<ul style="list-style-type: none"> Sits in chair Holds spoon/feeds self with hand or spoon Throw away cup and napkin Helps with dressing Sits on toilet, helps with flushing, paper “Flips” coat with help Shoes and socks in bucket

Heart 2 Heart Child Care Center Contract

Please check that you have received and read my daycare handbook. By checking the box you show that you agree and accept all the rules and regulations that Heart 2 Heart provided you with. It also shows that you will do your best to follow Heart 2 Heart handbook and know that you may get friendly reminders if some of the rules in the hand book are not being followed.

This is a legal and binding contract between Heart 2 Heart and _____ (parent/or legal guardian)

1. Childcare services will be provided by Heart 2 Heart for (name of child) _____, according to the agreed upon schedule provided.
2. All Major Holidays will be paid while at the Heart 2 Heart and no childcare service will be provided.
3. The fee for childcare will be \$_____ per week payable at the beginning of the week.
4. You agree to pay \$25.00 for any check that is returned to me. If a 3rd bounced check occurs all payments for the next 6 months will be made in cash, money order or cashier's check.
5. You know and agree to pay all costs that come about because of unpaid debt; Such as money paid out to a collection agency, legal fees and court fees.
6. You know and agree to provide me with a 2 weeks' notice prior to any vacation time.
7. Parent and child care provider both agree to provide 2-week written notice to terminate the Childcare Contract. Parent knows and agrees that if a 2 weeks written notice is not given to provider prior to withdrawal of your child from Heart 2 Heart, then the final 2 weeks fees will still be payable to Provider. *Provider has the right to terminate this contract instantly if your child has caused intentional harm to the other children (such as biting, hitting and kicking, etc) or is purposely destroying property and not following the rules. Such as breaking things on purpose, swearing, not listening to Staff.
8. All forms need to be filled out before your child can start. Forms will be updated yearly. Parents know that without the proper forms his/her child will not be able to attend until they are all filled out.
9. Parent agrees to provide all supplies needed by Provider. Parent understands items are not supplied, they will be purchased by Heart 2 Heart and Parent will reimburse Provider for the full cost.
10. Parent agrees to not drop child off before their schedule times and to pick child up by their schedule times otherwise there will be a fee charged of \$1.00 for every minutes early or late unless child is prearranged to arrive early or stay late but must be done 24 hours in advance. If parent is consistently late parent knows that daycare can and will be terminated.

Biting Policy

Biting is unfortunately not unexpected behavior for toddlers. Some children and many toddlers communicate through this behavior. When it happens, and sometimes continues, it can be scary, very frustrating, and very stressful for children, parents, and staff. This biting policy has been developed with both of those ideas in mind. As a child care, we understand that biting, unfortunately, is a part of a child care setting. Our goal is to help identify what is causing the biting and resolve these issues. If the issue cannot be resolved, this policy serves to protect the children that are bitten.

If a biting incident occurs, state regulations require that the parent of the child biting and the parent of the child who was bitten be notified. Names of the children are not shared with either parent.

When Biting Does Occur:

Our staff strongly feels biting is never the right thing for a child to do. The staff's job is to keep the children safe and help a child that bites learn different, more appropriate behavior.

For the child that was bitten:

1. First aid is given to the bite. It is cleaned with soap and water. If the skin is broken, the bite is covered with a bandage.
2. The "Incident Report" form is filled out documenting the incident.
3. The parents are notified

For the child that bit:

1. The teacher will firmly tell the child "NO! DO NOT BITE!"
2. The child will be placed in time out for no longer than the child's age (one year old, one minute).
3. The "Incident Report" form is filled out documenting the incident.

When Biting Continues:

1. The child will be shadowed to help prevent any biting incidents.
2. The child will be observed by the classroom staff to determine what is causing the child to bite (teething, communication, frustration, etc.) The administrative staff may also observe the child if the classroom staff is unable to determine the cause.
3. The child will be given positive attention and approval for positive behavior.
4. The teachers may consider changes to the room environment that may minimize congestion, commotion, competition for toys and materials, or child frustration.

When biting becomes excessive:

1. If a child inflicts 3 bites in a one week period (5 weekdays) in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, a conference will be held with the parents to discuss the child's behavior and how the behavior may be modified.
2. If the child again inflicts 3 bites in a one week period (5 weekdays) in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, the child will be suspended for 2 business days.
3. If a child once again inflicts 3 bites in a one week period (5 weekdays) in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, the parents will be asked to make other day care arrangements.

If a child, who has been through steps 1 and/or 2, goes 3 weeks (15 business days) without biting, we will go back to step one if the child bites again.

If a child bites three in a 4 hour period, the child will be required to be picked up from day care for the remainder of the day and be suspension for an additional 2 day.
